Application for Selective Harvest of Forest Products

Date: _____

Permit#: _____

Property Information:

Tax Map Section: _____ Block: _____ Lot: _____

Location (Physical location of property): _____

Owners Information:

Owners Name (as shown on the Tax Rolls) _____

Owners Address (Where the Tax bills are sent): _____

Owners Telephone Number: _____

Loggers Information:

Loggers **Name**: _____

Address: _____

Telephone Number: _____

Application is herein made for the work described above. The parties involved agree to abide by the laws of New York State and the Town of Cochection. In addition, it is understood that the issuance of a permit by the Town of Cochection does not relieve the owner or logger of compliance with any applicable NYSDEC regulations (i.e. Stream Crossing Permit, etc.)

Clear cutting of more than 2 ½ acres requires a special use permit from the Town of Cochection Planning Board prior to commencement.

Access to public roads is regulated by the town Highway Dept, County DPW or NYSDOT. Access roads must comply with the requirements of the appropriate department.

This application (in duplicate) must be accompanied by; 1) Two copies of a plot plan, clearly describing the scope of work to be performed, where on the property the harvesting will take place, location(s) of skid trails, loading areas, etc. A recent survey is recommended for this purpose. 2) Proof of Insurance, Workers Compensation or Exemption (form enclosed), and Liability.

If the property involved is part of a 480a Forest Tax Exemption program (or similar program), copies of the appropriate DEC documentation should be supplied. It is strongly suggested that all timber harvesting be done under the direction of a registered forester.
